

AMENDMENTS TO THE SPECIFICATION

Responsive to the requirement of the Examiner to include a reference to the International Application in the beginning of the Specification, please insert the following new paragraph after the Title of the Invention of "ROTARY EXPANDER" at the top of page 1 of the Specification before paragraph [0001]:

This application is the national phase application under 35 U.S.C. § 371 of PCT International Application No. PCT/JP2005/003792, which has an International filing date of March 4, 2005, designating the United States of America, and claims priority of Japanese Application No. 2004-067315, filed March 10, 2004.
